3-in-1 Bundle

USER'S GUIDE

for Nintendo® DS Lite

Carry Case: The Carry Case is designed to store and protect your DS Lite system.

Screen Protectors: The Screen Protector's are designed to protect your DS Lite's screen from dirt and scratches.

1. Remove the back sticker from the Screen Protector.

2. Carefully place the Screen Protector on to your DS Lite's screen

Stylus: The Stylus can be used with all your favorite touch sensitive games. The Stylus can be stored inside the DS Lite's casing.
